

SPECIAL INSTRUCTIONS: ALL BIDDERS ARE ADVISED TO MAKE THEIR OWN FIELD INSPECTIONS AND MEASUREMENTS

In order to be considered as a responsible and responsive bid, all bids will:

1. Give a ***complete price*** for fencing, with a breakdown per field as specified by these specifications.
2. A statement relative to the guarantee extended. If none, so state on the bid.
3. These instructions to bidders shall become a part of any contract or agreement entered into between the City of Radcliff and the successful bidder.
4. All bids must be submitted in a sealed envelope and may be delivered to the Office of the City Clerk, 411 W. Lincoln Trail Blvd, Radcliff, Kentucky 40160 or mailed to City of Radcliff, PO Box 519, Radcliff, Kentucky 40159-0519. Bids must be received no later than 10:00 a.m., Monday, April 11, 2022. Please mark "Sealed Bid" clearly on the envelope. Successful bidder must have a City of Radcliff business license before performing work. The City of Radcliff reserves the right to reject any or all bids.

WORK REQUIREMENTS AND SPECIFICATIONS: The successful bidder shall replace all existing fencing on the Major Field and Babe Ruth Field at **Duvall Ball Park (550 Carolyn St in Radcliff)**. Fencing shall be delivered and installed within 60 days of award:

- All measurements must be done by the bidder to verify sizes.
- 4ft Chain Link Fence (Black Vinyl Coated) for all outfield fence to match recently redone fields
- Include 2 - 4ft walk in gates (1 by each dugout)
- Major field will have 1- 12ft double drive gate
- Babe Ruth Field will have 2- 12ft double drive gates
- All dugouts will be replaced with black vinyl coated chain link fencing to match previous fields and have a walk-in gate on each dugout. City will stabilize existing roof and remove block walls, making way for new fence. New posts will be installed on back wall of dugout and bolted to roof with carriage bolts, and core drilled into the concrete foundation with cement applied back around the new posts. The city will paint the existing front posts of the dugout black prior to fence work starting.
- Between Dugout and Backstop will be 8ft vinyl coated black chain link fence.
- Backstop will be 20ft high from light pole to light pole straight up
- All line posts and top rails will be replaced with black vinyl coated materials

Existing fence and posts will be removed by the city in coordination with new fence being installed. New posts will be set in concrete. Fence must have all strapping in black, must have tension wire installed at bottom of fence securely attached.

NOTE:
